## From The Principal's Desk

2024-25

## Dear Parents

Warm greetings to you!!!

The past year at NPS International School, Mysore has been nothing short of extraordinary—filled with academic achievements, vibrant events, and a myriad of engaging activities that have nurtured the holistic development of every student. With our vision to empower learners with knowledge, skills, and values at the forefront, we embraced new challenges, celebrated remarkable achievements, and continually worked to create an environment where every student could thrive. From academic milestones to co-curricular triumphs, every moment has been a stepping stone in shaping a brighter, more promising future for our students.

This school year was infused with a dynamic focus on art, bringing creativity to the core of every learning experience. From classroom décor to academics and extracurricular activities, artistic expression took centre stage, sparking students' imaginations and encouraging them to think beyond the ordinary. Classrooms transformed into creative hubs, where subjects were brought to life through visual storytelling and hands-on projects, making learning exciting and immersive. Special art-themed events, exhibitions, and workshops offered students the chance to showcase their talents, collaborate on innovative projects, and celebrate the power of creativity.

By weaving art into every aspect of school life, we not only cultivated artistic skill but also encouraged critical thinking, self-expression, and a deeper appreciation for the transformative power of creativity. These skills will serve our students well as they continue to shape the world around them.

As we reflect on the year gone by, we take immense pride in the collective efforts and accomplishments that have defined our school's journey towards excellence and holistic learning. Triumphs, challenges, and invaluable lessons were learned through the countless interactions and experiences that unfolded, making this year one for the books. Join us as you turn the pages of this annual journal and relive the moments that made this year unforgettable!

## OUTSTANDING AWARDS

**Academic Milestones** - Being honoured with the Britannica Award for Educational Excellence and NPSI Mysore being featured as one of the best schools in the city, under the co-ed day school category, in the Education World magazine, are proud moments indeed. ([Photo Link](#))

**Athletic Triumph** -It's a proud moment for us, as our school has bagged the Overall Championship Award for 2024-25, scoring the highest points in the Esprit De Corps competitions held throughout the year. Here is a list of the impressive accolades won by the students and staff of NPSI Mysore:

- \* Overall championship for students in swimming
- \* Overall championship for students in Athletics
- \* **Abhay Manjunath** and **Anica Ganapathi** were awarded the titles of 'Most Valuable Players'.
- \* **Om Krishna Melanta** was declared as the Most Valuable Swimmer
- \* Overall championship award for Teachers

Students who have noteworthy achievements in sports at the state, national and international levels, were also felicitated. Parents of the winners were invited and their contributions were also acknowledged on stage, by Dr Bindu Hari on the prize day.

It is a moment of glory and ecstasy for the entire NPSI Mysore family, as we have carved a niche for ourselves in the domain of sports! ([Photos Link](#))

These prestigious recognitions celebrate our unwavering commitment to fostering a nurturing and innovative learning environment. Congratulations and gratitude to our incredible students, dedicated teachers, and supportive community for making these achievements possible!

## LOOKING AHEAD

Our upcoming academic year is brimming with excitement and innovation! We're continuing with dynamic project-based learning, integrating cutting-edge technology into our classrooms, and planning unforgettable activities that blend education with adventure. Our focus will also be to incorporate many more enhanced wellness programs, to ensure that students thrive both mentally and physically. We are looking forward to an exhilarating journey to academic excellence and holistic growth.

## TO SUM UP....

Reflecting on the academic year, we celebrate a time of notable accomplishments and growth. Our students have participated and excelled in academics, sports, extracurricular activities, and community initiatives, demonstrating remarkable resilience and passion. Our dedicated staff and supportive community have been the backbone of our success. As we close this chapter, we look forward to the next one, with optimism and commitment to continued excellence and your support and trust in us, keeps us going!
